

2nd Cycle Master Study Programme study programme in Mechanical engineering – Research and development programme

Project practicum – MAG
Report

Erasmus+ student:

Enrolment no.:

--	--	--	--	--	--	--	--	--	--

Project practicum – MAG topic:

Laboratory name:

Mentor's name:

Place and date: Ljubljana,.....

Definition of research problem (theoretical foundations, state of the art in problem research ...):

.....
.....
.....

Purpose and goal:

.....
.....
.....

Research methods:

.....
.....
.....

Assumptions and limitations:

.....
.....
.....

Sources and bibliography:

.....
.....
.....

Student's signature:

Mentor's signature:
